Introduction

For brands that sell their products on Walmart.ca, figuring out how to maximize channel sales is critical for business. It can be challenging to know where to begin, how to drive sales both on Walmart.ca and in Walmart Canada stores, and ultimately, how to stand out from the competition.

The key to rising above the noise? Amplify the voices of Walmart Canada shoppers. Peer-trusted feedback, like ratings and reviews, not only validates product quality and customer affinity, but also has a significant impact on purchase decisions.

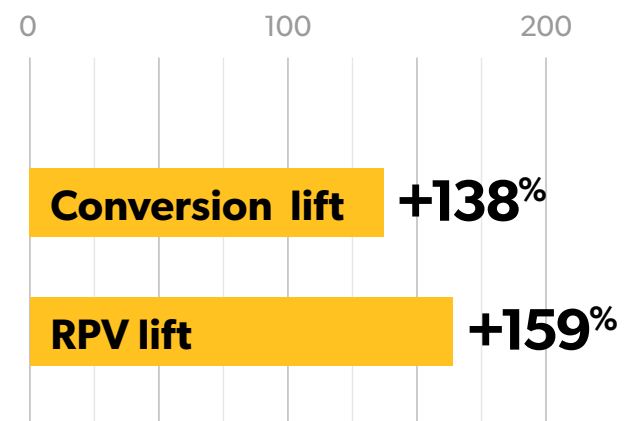

The impact of user-generated content

A user-generated content (UGC) strategy done right will increase the discoverability of your products, boost sales, and create a valuable dialogue with your customers. It can also inform SEO benefits, provide insights for product innovation, reduce return rates, and ensure shoppers have a positive experience with your brand. While Walmart Canada has their own strategies to collect ratings and reviews, brands that come to the table with their own UGC strategies set themselves ahead of the rest.

Impact of reviews by the numbers:

Percentage of shoppers who use reviews to evaluate similar products before buying.¹

Conversion and revenue impact for brands when shoppers engage with reviews.³

Percentage of shoppers who trust peer recommendations over traditional advertising.⁴

Percentage of brands and retailers who say consumer reviews positively influence online and in-store sales.⁵

Walmart Canada + Bazaarvoice

Walmart Canada and Bazaarvoice have partnered to help brands build powerful UGC programs on Walmart.ca. Bazaarvoice leads the industry with best-in-class solutions and service, as well as unparalleled content authenticity standards. With this partnership, brands have the unique opportunity to leverage Bazaarvoice syndication capabilities, which we'll explore in the next section.

UGC comes in many forms, including ratings, reviews, questions, and visual content. Bazaarvoice understands the unique value of each type of UGC on Walmart.ca and works with brands to collect a variety of content that meets a brand's specific needs.

World's largest network

Over 8,300 brands and retailers, with 20x more shopper traffic than the next largest network.

More content, more conversion

Our clients have collected over 2.5 billion reviews.

Innovation for global reach

Built for and tested by over 1.3 billion monthly shoppers.

Insights and reports

Automated key metrics answer questions our most successful brands are asking.

Your success matters

6x more client success roles than the nearest competitor.

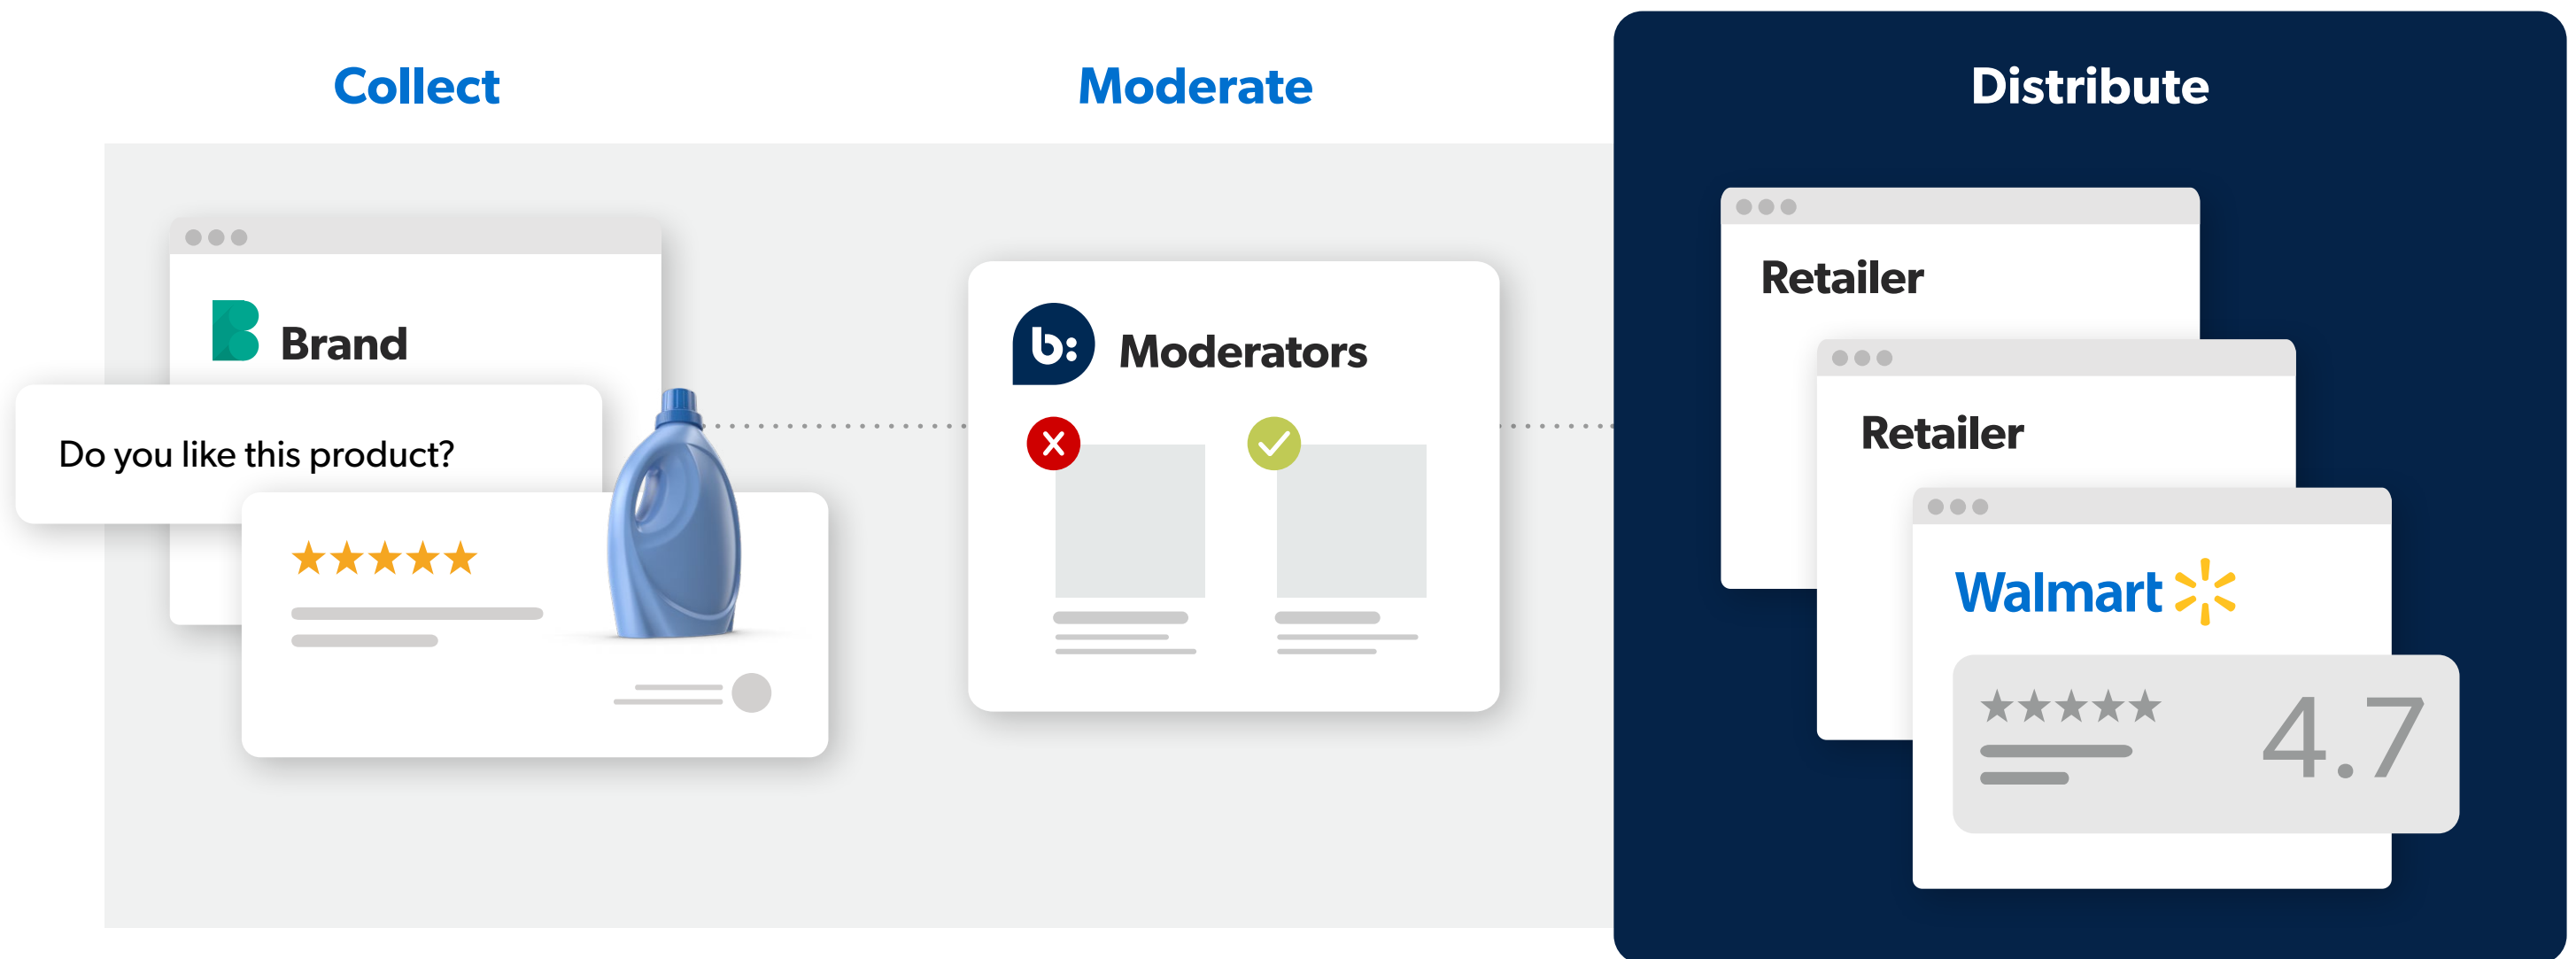

Content integrity and security

Globally, we've moderated 316 million+ reviews to date. Each year, we block 55 million fraudulent reviews.

How does syndication work?

First, your brand collects UGC from customers through a range of review collection strategies. Then, as a Bazaarvoice client, this content is authenticated to ensure it isn't fraudulent and represents a customer's genuine opinion about their experience with your product(s). Once content is authenticated through a process of machine learning and human moderation, Bazaarvoice matches the content to product catalogs across a network of more than 1,900 retailers (including Walmart Canada). Your UGC is then simultaneously displayed on the corresponding retailer product pages.

The impact of syndication for brands

Syndication impact by the numbers:

More reviews per product

+112%

Median increase in reviews per product when brands leverage UGC syndication solutions.²

Better product coverage

+46%

Median increase in product coverage compared to brands relying on native coverage at each retail channel.²

Retailers rely on brands

65%

Percentage of reviews that Bazaarvoice retailers source directly from brands.⁵

Optimize UGC with Bazaarvoice solutions

Now that you know the importance of UGC and how syndication works, the next question is: how do you get more content in the right places? In the next few sections, you'll learn how your brand can leverage varying Bazaarvoice solutions to drive optimal UGC performance on Walmart.ca and amplify content from real customers to help Walmart Canada shoppers make purchase decisions with confidence.

Collect and distribute reviews to Walmart.ca

Bazaarvoice solution: Collect+Distribute

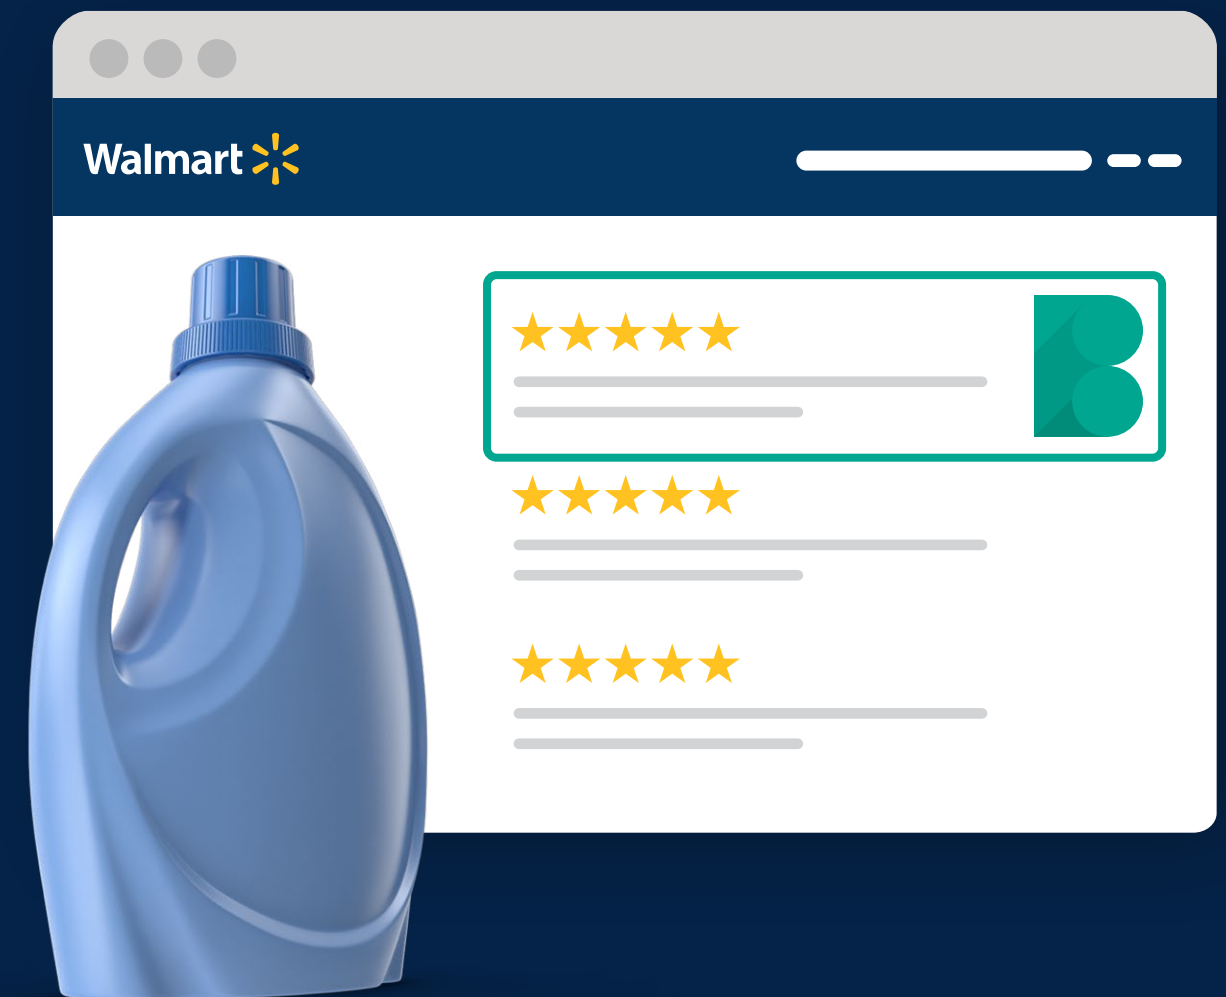

80%

Percentage of reviews Walmart Canada sources directly from brands through syndication.¹¹

A successful ratings and reviews strategy is one that enables a brand to routinely collect high-quality review content for key products. With Collect+Distribute, brands are equipped with the tools necessary to collect review content from their customers post-purchase and syndicate reviews to retailer websites including Walmart.ca. This is an ideal solution for brands that rely heavily on retail channel sales and do not wish to display reviews on their website.

Benefits:

- Automate review collection for products with zero ecommerce software implementation required
- Optimize review coverage with syndication of UGC to retailers in the Bazaarvoice Network, including Walmart.ca
- Access insights and reporting tools to analyze product performance, customer sentiment, competitive benchmarking, and more

Collect, display, and distribute reviews to Walmart.ca

Bazaarvoice solution: Collect+Display+Distribute

86%

Percentage of brands and retailers who say ratings and reviews are a key value driver of online sales.⁵

If you wish to boost reviews on your website as well as Walmart.ca, Collect+Display+Distribute is the best solution. Brands are equipped with the tools necessary to collect review content from their customers post-purchase, display review content on their website, and syndicate reviews to retailer sites. This strategy automates review collection, enhances your website experience, and optimizes your product page performance on Walmart.ca.

Benefits:

- Automate review collection and showcase review content collected on your website
- Optimize review coverage with syndication of UGC to retailers in the Bazaarvoice Network, including Walmart.ca
- Access insights and reporting tools to analyze product performance, customer sentiment, competitive benchmarking, and more

Distribute existing reviews to Walmart.ca

Bazaarvoice solution: Distribute-Only

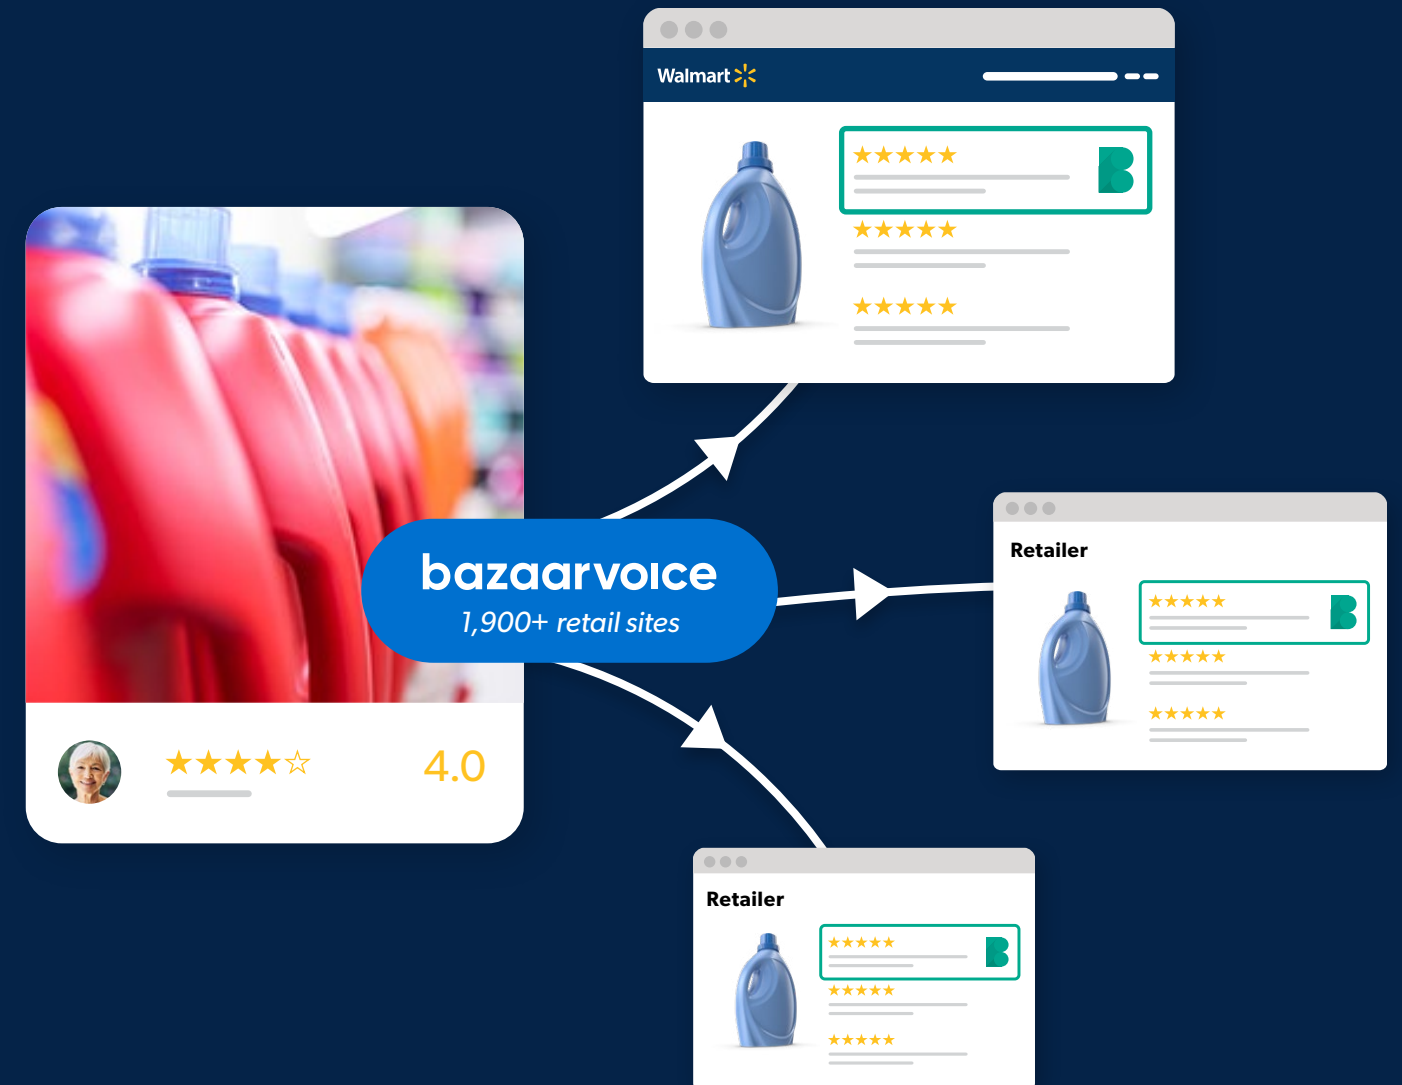

82%

Percentage of shoppers who research products online before shopping in-store.¹

Whether you have organic reviews already collected on your website or collect reviews through another provider, Distribute-Only will help you make these reviews visible on Walmart.ca. Bazaarvoice partners with several other UGC providers and sampling partners to help brands drive maximum success at retail by accessing retail sites within the Bazaarvoice Network, including Walmart.ca.

Benefits:

- Maintain your relationship with your current ratings and reviews provider or sampling partner
- Reach more customers by increasing the places your shoppers can find ratings and reviews for your products
- Optimize review coverage with syndication of UGC to retailers in the Bazaarvoice Network, including Walmart.ca

Tap into the Influenster community

Influenster is a product discovery platform and reviews destination where 6M+ members engage and create content about the products they discover. Influenster members are everyday, highly-engaged shoppers who come to Influenster to read and write reviews, share photos and videos, participate in product discussions and connect with brands and one another. Brands can tap into the Influenster community to generate reviews and social content, to license existing reviews to their brand- and retail-dot-coms or feature them in sales and marketing materials to improve conversion, and to gain new consumer and product insights through in-depth member surveys.

Total reviews

50M+

Influenster has 50 million+ reviews, grows by 1.5 million new reviews monthly, and is second only to Amazon in product review count.⁶

Organic reviews

98%

98% of reviews on Influenster.com are organic; nowhere else has such an impressive collection of reviews available for brands to leverage.⁶

Community members

6M+

6 million+ members have contributed authentic reviews, photos, and questions and answers about nearly 3 million products.⁶

Data points per member

1,000+

Hyper-targeting capabilities based on where, when, and why customers are shopping, accessing thousands of data points per member.⁶

Distribute reviews from Influenster to Walmart.ca

Bazaarvoice solution: ReviewSource

85%

Percentage of shoppers who consider how recently a review was written to inform a purchase decision.⁶

ReviewSource is an always-on service that continuously supplies organic, non-incentivized Influencer reviews to your brand website and across retailer sites in the Bazaarvoice Network. Check out your products on Influenster to see what review content has already been collected. If you find that your products don't currently have reviews on Influenster, Bazaarvoice can ensure your products are discoverable and help you start collecting reviews from the members.

Benefits:

- Optimize review quantity, quality, and recency with an always-on content stream from Influenster
- Increase organic, non-incentivized review volume across retailers in the Bazaarvoice Network, including Walmart.ca
- Collect reviews for any number of products with no effort or expense of shipping products

Join themed Influencer sampling boxes to boost reviews on Walmart.ca

Bazaarvoice solution: Co-op VoxBox

51%

Percentage of millennials
who research products
via social networks.¹³

Drive product trial and awareness at-scale while generating social advocacy and high-quality reviews for key products through Co-op VoxBox sampling campaigns. Participating brands have product category exclusivity in monthly themed boxes, categorized by product interests and seasonality.

Benefits:

- Drive mass trial for new products and reinvigorate interest in core products
- Sample products among targeted audiences, i.e millennial moms, beauty enthusiasts, foodies, etc.
- Optimize UGC for products with syndication of content collected to retail sites within the Bazaarvoice Network, including Walmart.ca

Reward Walmart Canada shoppers for purchases online or in-store

Bazaarvoice solution: CashBack Sampling

1 in 4

Internet users discover brands through social media recommendations or comments.¹²

Activate the Influencer community to purchase your products on Walmart.ca or in Walmart Canada stores, write reviews, and share social content by rewarding them with CashBack offers. Bazaarvoice will help manage reimbursement with CashBack offers via PayPal. With CashBack, brands avoid the expense and effort of shipping products to sampling fulfillment.

Benefits:

- Increase foot traffic in Walmart Canada stores or boost Walmart.ca sales with CashBack offers
- Drive trial for select products while generating social buzz among hyper-targeted members
- Boost reviews and social content for products that may be difficult to sample

Turn customer feedback into a conversation

Optimizing review coverage, volume, quality, and recency are all key components of a successful UGC program, but the work doesn't stop there. Customers are looking for brands to engage with them, whether that be in the form of answering questions or responding to negative feedback. About half of shoppers (48%) say seeing a brand/retailer respond to customer reviews will increase their likelihood to purchase.¹

By engaging with shoppers on Walmart.ca, you'll bolster the impact of your UGC program and further establish trust and credibility with Walmart Canada shoppers.

Answer questions and respond to reviews

Bazaarvoice solution: Connections

114%

Conversion lift when guests engage with Q&A on product pages.⁵

About a third of shoppers say they always expect a brand to respond publicly to their review, regardless if their review is positive or negative. Intent to purchase doubles when shoppers see a brand's response to a negative review versus a negative review by itself.

Given Walmart Canada's expectation for brands to engage with Q&A on Walmart.ca, all brands have free access to answer questions with Connections Basic. Brands can also establish a deeper connection with Walmart Canada shoppers by responding to reviews with Connections Premium.

Benefits:

- Easily prioritize high-impact questions and reviews with alerts
- Build trust by helping Walmart Canada shoppers feel confident about their purchase decisions
- Respond to questions and reviews on Walmart.ca and across multiple retail channels simultaneously, with an easy-to-use response interface

Best practices for responding to reviews

Be sympathetic

Show customers that you understand their frustration and make them feel their opinion is valid.

Help future shoppers

Your response may have a major influence on future shoppers' purchase decisions. So, treat your response as valuable information for a larger audience than just the person who left the review.

Be personal

Consumers appreciate authenticity, so avoid using cookie-cutter responses or excerpts from your policies.

Respond quickly

Be sure to respond to a negative review within 24-48 hours, as this will further demonstrate a sense of urgency on your part to resolve the issue.

Respond both on and offline

Going the extra mile to follow up with a complaint offline will show your customers that you are determined to make things right and will also allow for another opportunity to turn things around.

Drive improvements with UGC insights

Bazaarvoice Insights helps brands easily examine and understand their UGC performance across channels, understand common areas of praise and complaint from customers, compare their performance against competitors, and improve programs with recommended actions. With this information, brands can determine where and how to prioritize resources to continuously optimize their UGC strategies at-scale.

Analyze your UGC performance on Walmart.ca

With pre-built and customizable reporting tools and smarter insight capabilities, Bazaarvoice clients have access to invaluable UGC data to understand product performance, customer sentiment, competitive benchmarking, and more. Bazaarvoice's Insights application uses machine learning to analyze and surface product and UGC program performance data and consumer sentiment. In addition, the latest industry benchmarks sourced from Bazaarvoice's network of clients are included in the application to help brands and retailers compare performance to peers.

How Bazaarvoice clients use UGC insights⁵:

- Customer service improvement (72%)
- Product improvement (66%)
- Hone messaging and marketing tactics (50%)

Key takeaways

1 Optimize product pages

UGC is a key measurement of success on Walmart.ca product description pages.

2 Boost conversion

Reviews validate the desirability of your products and have a direct impact on conversion.

3 Establish trust

Brand responses to reviews and questions are crucial to establishing trust and loyalty among Walmart Canada shoppers.

4 Leverage insights

UGC offers invaluable insights across multiple teams within your organization, including product, marketing, sales, and customer service.

Now's the time to optimize your UGC on Walmart.ca. Leveraging Bazaarvoice's powerful retail network and best-in-class solutions give you the competitive advantage to serve the needs of your customers and ultimately, drive Walmart Canada sales.
